

Mr. Andrew Dolhy CPE

Andrew Dolhy is a Certified Professional Ergonomist and Professional Kinesiologist who has over 12 years experience in private industry, in government, Manitoba Labour Workplace Safety and Health and an Occupational Health Centre. Andrew has performed assessments and training in over 200 different workplaces across the country and delivered over 20 guest speaking presentations locally and internationally. He has a BSc. Degree in Honours Kinesiology Co-op program from the University of Waterloo and a certificate in Business Management from Red River College.

Andrew co-teaches the Occupational Health and Safety course at Red River College and in 2004, developed a 40-hour Occupational Ergonomics course at Red River College. Andrew was on the public review committee for the new musculoskeletal injury prevention regulation and is the Education coordinator for the Accident Prevention Association of Manitoba.

Andrew has recently completed several ergonomic resources through the Occupational Health Centre. The Small Business Ergonomics Case Studies: Hazards, Assessments, Solutions, Costs and Benefits and the Small Workplace Ergonomics Resource Guide. Both resources are applicable to your workplace and can be downloaded at [www.mflohc.mb.ca](http://www.mflohc.mb.ca).
